Building quality tools in America for over 20 years!

Vacuum Floor Puller ART23

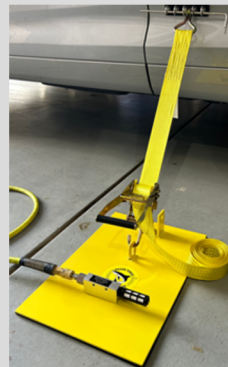

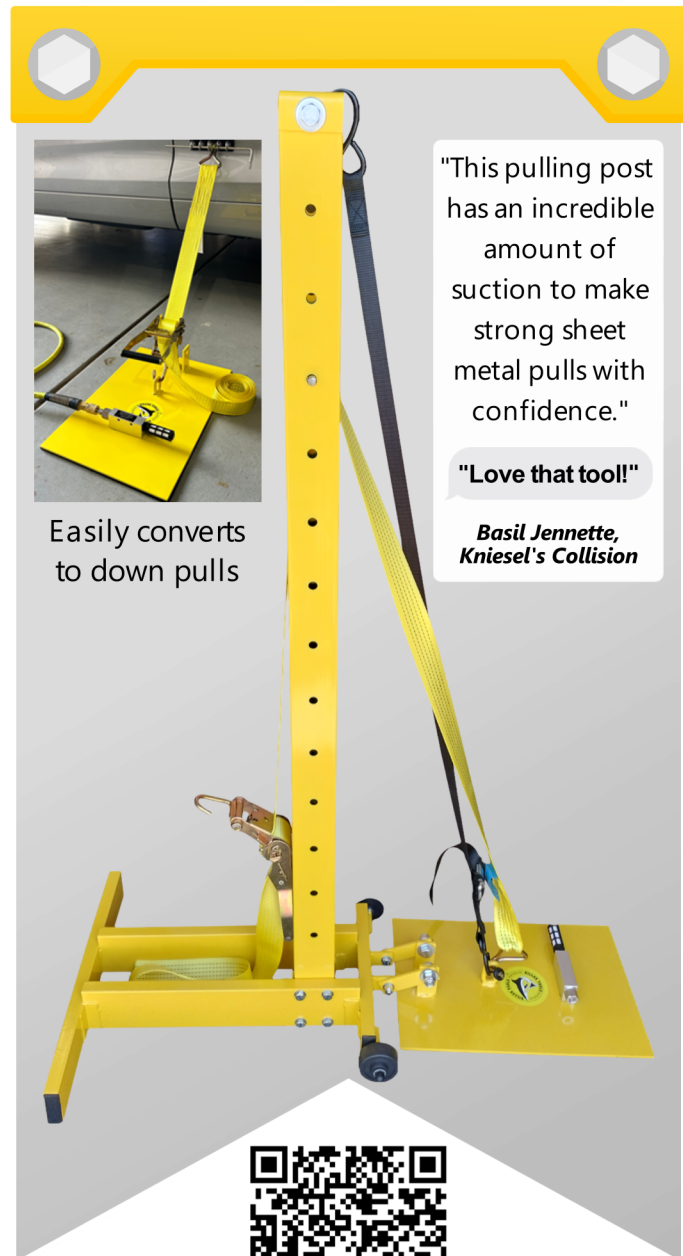

- **Exclusive anti-tip safety features:**
Safer for the tech, and the vehicle
- **No need to wait for frame racks to open up or search for chain pots**
- Quick and easy setup on most shop floors: Just move and attach air!
- Pull steel or aluminum with up to 1200 lbs of force, perfect for sheet metal pulls and dent repair

**Pull from anywhere
in the shop!**

**Sticks to most
shop floors!**

Easily converts
to down pulls

"This pulling post
has an incredible
amount of
suction to make
strong sheet
metal pulls with
confidence."

"Love that tool!"

*Basil Jennette,
Kniessel's Collision*
